The Nutritional Sciences path is available for students receiving an:

- Associate in Arts
- Associate in Science (requires MAT 221)

If you’re interested in the Nutritional Sciences bachelor’s degree, we suggest taking the following Rio Salado courses to maximize your success upon transferring into this degree program at The University of Arizona.

- FON 241
- CHM 151 + CHM 151LL
- CHM 152 + CHM 152LL
- MAT 151 or higher
- BIO 156
- BIO 201
- BIO 202
- BIO 205
- Second semester language (102)

Note: The Nutritional Sciences program allows students to select from one of two tracks: Nutrition or Dietetics. Students will additionally need to take Organic Chemistry as part of their degree program; students are encouraged to take this at a Maricopa Community College. Students must also earn a B or better in FON 241.
