

## CCL in Adult Development and Aging Program Competencies

Academic Plan Code: 5398

CIPS Code: 19.0702

GB Date: 02/26/08

Program Credits: 19

### Program Description:

The Certificate of Completion (CCL) in Adult Development and Aging is designed to prepare individuals to enter the family life education, human development, or child and family organizations field at the paraprofessional level. Students at a paraprofessional level may seek employment opportunities in adult day care centers, crisis intervention programs, group and halfway houses, hospice care, senior citizen centers, social service agencies (both private and State/local government), facilities for the disabled and developmentally challenged individuals, community mental health clinics, psychiatric facilities, shelters and other child and family, community-based organizations.

### Program Competencies:

1. Examine social policy issues that affect older persons. (CFS247)
2. Define “out of the nest” pattern. (CFS249)
3. Define “back to the nest” pattern. (CFS249)
4. Define “the feathered nest” pattern. (CFS249)
5. Trace trends that influence retirement and delineate the impact on society. (CFS251)
6. Describe societal changes that have impacted contemporary aging behavior and development. (CFS252)
7. Describe the foundations of portfolio development. (FCS250)
8. Demonstrate the ability to use computer software programs and write professional documents demonstrating a purpose, logical organization and inclusion of pertinent information for appropriate audiences. (BPC110, CIS105)
9. Apply family and consumer science classroom instruction to work experiences during 80 hours per credit per semester. (FCS260)

Revised: 11/16/15
