AC in Spanish and Spanish Culture
Program Competencies

Academic Plan Code: 6243N     CIPS Code: 16.0905       GB Date: 06/25/13       Program Credits: 25

Program Description:
The Academic Certificate (AC) in Spanish and Spanish Culture is designed to provide students with the essential language skills and vocabulary to communicate with confidence in diverse communicative situations. Instruction in the diverse cultural context will help students to understand the complex interdependence of language and culture.

Program Competencies:

1. Demonstrate comprehension of written and oral passages and compose small paragraphs that include biographical information, basic questions and descriptions, short narratives, brief dialogues, survival vocabulary, and current events. (SPA101)

2. Demonstrate comprehension of written and oral passages and compose written paragraphs that include narration in the past, present, or future, emotional reactions, current events, instructions, and commands. (SPA102)

3. Demonstrate comprehension of authentic written and oral passages and employ the written process that include detailed descriptions, subjective information, and narrations in the past, present, or future. (SPA201)

4. Employ the writing process and ask and answer oral questions in Spanish to provide detailed descriptions, subjective information, narrate in the past, present, and future, give instructions and commands, and maintain conversations. (SPA101, SPA102, SPA201, SPA202)

5. Demonstrate comprehension of authentic written and oral passages in Spanish that include detailed descriptions, subjective information, and narrations in the past, present, or future. (SPA202)
