

## CCL in Entrepreneurial Studies Level I

Suggested Course Plan Sequenced by Semester

Academic Plan Code: 5819

CIPS Code: 52.0701

GB Date: 06/16/15

Program Credits: 10-11

### Program Description:

The Certificate of Completion (CCL) in Entrepreneurial Studies Level I program is designed to provide students with an introduction to the entrepreneurial process. Courses include a history of entrepreneurship, current research into its impacts on society, types of business start-up opportunities, and creating a preliminary business plan, as well as securing a healthy financial future.

### Course Sequence by Semester:

The following is a suggested course sequence by semester for the pathway. Students should keep in mind the items below that affect their success in completing the pathway as listed:

- Program sequence is based on a full-time student schedule (12 credits or more per semester). If you are a part-time student, the order of these classes will be helpful but it will take additional terms to complete.
- Program sequence does not take into consideration the need for developmental classes (e.g., ENG091 before ENG101.)

### Program Notes:

Although the CCL in Entrepreneurial Studies Level I program is shared with other sister colleges within the Maricopa Community Colleges, the Course Sequence presented is only for Rio Salado College.

Students must earn a grade of "C" or better in all courses required within the program.

### Semester 1: 10-11 Credits

Program Area	Course Number	Course Name	Credits	Notes
RC	EPS150	Introduction to Entrepreneurship	3
