

Languages Course Prerequisites and Departmental Approval Process

As a policy, the Languages Department will not waive a prerequisite for a language course. Students that have not passed the course prerequisite must obtain departmental approval by taking an online language assessment for placement. Interested students should click on the link below or visit the Languages page at http://www.riosalado.edu/programs/general_education/Pages/languages.aspx.

Transfer coursework from outside the Maricopa Community Colleges must be a grade of "C" or better to meet prerequisite requirements. Coursework over three years old will not meet prerequisite requirements. Students can email language.info@riosalado.edu or leave a message at 480.517.8255 with questions about the approval process.
