DUAL ENROLLMENT TUITION ASSISTANCE APPLICATION
2011-2012 Academic Year

Tuition assistance is available for dual enrollment students based on documented financial need. Interested applicants must complete a Maricopa Grant Application by September 1, 2011. Tuition is awarded in the fall for a maximum of 8 credit hours per student per academic year. Any funds not used in the fall semester will be applied to spring tuition. All sections of the application must be completed and all supporting documents must be attached in order to be considered.

Students are responsible for all tuition costs not covered by tuition assistance. Funds are limited so students are encouraged to apply early.

Eligibility requirements can be found on the Maricopa Grant Application.

Directions for applicants:

- Complete Steps 1-5 on the Grant Application.
- Attach the required supporting documents to the application.
- Submit all tuition assistance paperwork with the Dual Enrollment Registration packet to the dual instructor or dual Liaison at your high school.

Notification of tuition assistance award will be by e-mail. Please ensure that all contact information on your application is current and correct in the event that the college needs to contact you regarding your paperwork.
