

Classroom Video Permission Early Childhood Internship

Dear Parent/Guardian,

I am an intern student in Rio Salado College's Early Childhood Education and Human Development (ECEHD) program, engaging in classroom activities to improve my teaching practices and instructional methods. Throughout the duration of my internship, I will be video recording various teaching strategies and although the primary focus will be on my instruction, children may appear in the videos as they participate in classroom activities. I will share these videos with staff and instructors in Rio Salado's ECEHD department through a secure website so they can observe and review my teaching methods and provide me with valuable feedback. These videos are solely for professional development purposes and will not be shared publicly.

If you have questions or want to discuss my use of video in the classroom further, please contact me at _____ or the ECEHD program at ecehd.internships@riosalado.edu. Thank you in advance for supporting my professional development.

Please sign below the line and return this letter to me by _____.

Sincerely,

Intern Student ECEHD
