CCL in Entrepreneurial Studies Level I
Suggested Course Plan Sequenced by Semester

Academic Plan Code: 5819  CIPS Code: 52.0701  Program Credits: 10

Program Description:
The Certificate of Completion (CCL) in Entrepreneurial Studies Level I program is designed to provide students with an introduction to the entrepreneurial process. Courses include a history of entrepreneurship, current research into its impacts on society, types of business start-up opportunities, and creating a preliminary business plan, as well as securing a healthy financial future.

Course Sequence by Semester:
The following is a suggested course sequence by semester for the pathway. Students should keep in mind the items below that affect their success in completing the pathway as listed:

- Program sequence is based on a full-time student schedule (12 credits or more per semester). If you are a part-time student, the order of these classes will be helpful but it will take additional terms to complete.
- Program sequence does not take into consideration the need for developmental classes (e.g., ENG091 before ENG101.)

Program Notes:
Although the Entrepreneurial Studies Level I program is shared, the Course Sequence presented is only for Rio Salado College. Students must earn a grade of "C" of better in all courses required within the program.

Semester 1: 10 Credits
