

## AAS in Organizational Management

### Program Competencies

Academic Plan Code: 3727

CIPS Code: 52.1003

GB Date: 04/28/16

Program Credits: 60-65

### Program Description:

The Associate in Applied Science (AAS) in Organizational Management program is designed with a customized curriculum specific to the student's individual needs in addition to the knowledge and skills needed in today's changing workplace. The program provides leadership and communication skills and techniques for planning, directing, and evaluating business situations, with an emphasis on effective allocation of time, money, materials, space, and personnel. A Certificate of Completion (CCL) in Organizational Leadership is also available.

### Program Competencies:

1. Acquire and evaluate data, interpret information and communicate effectively in business situations. (GBS233)
2. Demonstrate skills in leading, negotiating, and working in harmony with others in a business setting. (GBS110, MGT251)
3. Describe organizational structures and the functions of planning, directing and evaluating in a business setting. (MGT175, TQM240)
4. Apply current technology to specific business tasks. (CIS105, BPC110)
5. Describe the function of social, organizational, economic and technological systems. (GBS151)
6. Demonstrate effective allocation of time, money, materials, space and personnel. (MGT101, MGT229)

Revised: 10/27/16
