SMILE for Math and Science!

Are you interested in re-careering?
Do you like science or math?
Want to help others learn?

Do something that will make a difference...
get certified as a teacher through Rio Salado College’s Noyce Scholars SMILE program.

The Noyce Scholars SMILE (Science and Math Innovative Learning Environments) program is an online 15-month comprehensive secondary teacher certification program in math or science.

Program participants receive:
- $16,500 stipends to cover tuition, fees, and some living expenses
- Mentorship throughout the student teaching experience
- Assistance with job placement
