

# Mathematics, K-8 Endorsement

## Earn your Mathematics, K-8 Teaching Endorsement Online

Endorsements are attachments to an Arizona teaching certificate which indicate an area of specialization. Endorsements are awarded by the Arizona Department of Education through a transcript evaluation process.

Mathematics endorsement courses are designed for elementary or special education teachers. Consider enrolling in courses for your own professional development! Courses are accepted by the Arizona Department of Education for renewing an Arizona standard teaching certificate. Teachers can add the mathematics endorsement to their current Arizona teaching certificate by taking Rio Salado College's courses.

Students enrolled in the Mathematics, K-8 endorsement courses are preparing to teach children from K through 8th grade in mathematics. These courses require in-person field experiences in a K-8 mathematics classroom.

**CIPS Code: 13.1311**

## Courses

Prerequisites:		Field Experience	
<ul style="list-style-type: none"> <li>• Must provide proof of a bachelor's degree or teaching certificate.</li> <li>• Must provide proof of an IVP fingerprint clearance card.</li> </ul>
