## Earn your Physical Education, PreK-12 Teaching Endorsement Online

Endorsements are attachments to an Arizona teaching certificate which indicate an area of specialization. Endorsements are awarded by the Arizona Department of Education through a transcript evaluation process.

Physical education endorsement courses are designed for elementary, secondary or special education teachers. Consider enrolling in courses for your own professional development! Courses are accepted by the Arizona Department of Education for renewing an Arizona standard teaching certificate. Teachers can add the physical education endorsement to their current Arizona teaching certificate by taking Rio Salado College's courses.

Students enrolled in the Physical Education, PreK-12 endorsement courses are preparing to teach children from preK through 12th grade in physical education. These courses require in-person field experiences in a preK-12 physical education classroom.
