

Mathematics, K-8 Endorsement

Earn your Mathematics, K-8 Teaching Endorsement Online

Endorsements are attachments to an Arizona teaching certificate that indicate an area of specialization. Endorsements are awarded by the Arizona Department of Education through a transcript evaluation process.

Mathematics endorsement courses are designed for elementary or special education teachers. Consider enrolling in courses for your own professional development! Courses are accepted by the Arizona Department of Education for renewing an Arizona standard teaching certificate.

Students enrolled in the Mathematics, K-8 endorsement courses are preparing to teach children from K through 8th grade in mathematics. These courses require in-person field experiences in a K-8 mathematics classroom.

CIPS Code: 13.1311

Courses

Rio Salado College Offers the “Option B” pathway to obtain the Arizona Mathematics, K-8 Endorsement.

- Three semester hours of mathematics classroom assessment; (EPD254)

Notes

- Read about the [Mathematics Endorsement](#) at the Arizona Department of Education for additional requirements such as minimum years teaching and the subject knowledge proficiency requirements.
- Must complete a [Request to Enroll](#) form to register.
- Not all classes are offered every semester. Contact an academic advisor for additional information.
- Must provide proof of a bachelor's degree or teaching certificate.
- Rio Salado College will only evaluate transcripts from other colleges to determine if pre-requisites have been met, if applicable. Rio Salado College will not evaluate courses from other colleges to determine if courses meet Arizona Department of Education endorsement requirements.
