FOOTNOTES:

- All rates are hourly and require a four hour minimum. Set up and clean up times are charged at the normal for-profit hourly rate with a one hour minimum.

- Community entity facility usage rates are shown with 50% discount. Discounts do not apply to heating, lighting, piano tuning, equipment, set-up and clean-up fees, or other services that may be required.

- Any usage that occurs during evening, weekend or holiday hours when facilities are normally closed requires an upcharge of 25%. Please check with college for normal operating hours.

- Any set-up or clean-up fees may be reduced or waived at the discretion of the Vice President, Administrative Services and need not be reported on the MCCCDC quarterly report of reduced or waived fees.

- The above published set-up fees are for basic services. Specialty set-ups will be assessed an additional \$50 fee. This reflects the additional labor required.

- The total semester rate for classrooms that are rented for an entire semester to an educational partner that has an articulation agreement with MCCCDC shall be an eight (8) hour minimum rate with no set up fee. Special contracted rates may apply for special operating arrangements (i.e. - Communiversity)

- Indoor swimming pool includes lifeguards, sauna, jacuzzi and use of showers. Does not include towels or other swimming accessories.

NOTES:

Catering is available at all colleges via the college or the MCCCDC contracted food service provider. Rental charges may be discounted when catering services are provided using the College or the MCCCDC contracted food service provider. Check with the college's facility rental department for details. This discount is not available to organizations that are receiving a Community Entity discount.

Some facilities require that personnel operate or be present during event. Charges for these services are in addition to the rates quoted above.

The term "**community entity**" means a corporation or other legal entity whose business is non-commercial and:

- A. is unrelated to the Maricopa Community Colleges, and
- B. is recreational, educational, political, economic, artistic, moral, scientific, social, religious, or for some other civic purpose in the interest of the community.
