The Maricopa County Community College District (MCCCD) is an EEO/AA institution and an equal opportunity employer of protected veterans and individuals with disabilities. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, age, or national origin. A lack of English language skills will not be a barrier to admission and participation in the career and technical education programs of the District. The Maricopa County Community College District does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs or activities. For Title IX/504 concerns, call the following number to reach the appointed coordinator: (480) 731-8499. For additional information, as well as a listing of all coordinators within the Maricopa College system, visit <http://www.maricopa.edu/non-discrimination>.

Welcome to RISE Learning for Life

RISE Learning for Life is a Rio Salado College non-credit, interest-based program. Classes and activities focus on interest-based lifelong learning opportunities for a wide range of community members. RISE members enjoy exchanging ideas with peers who share their knowledge, talents, and interests with others in a friendly, interactive environment. Classes are presented by RISE volunteers with expertise in diverse topics who represent the local educational, medical, cultural, civic, and business communities. Book clubs and free events for the public are also presented.
